

# Bid Addendum No. 2

Alderpoint Road Tank Replacement Project  
Garberville, CA

---

Date: March 2, 2015

Project No.: 7714.02

Prepared For: Garberville Sanitary District & Prospective Bidders

Approved By: David Nicoletti, PE

- 
- A. Notice is hereby given that the Bid Date has been **extended**, Sealed Bids for the construction of the **Alderpoint Road Tank Replacement Project** will be received, by the **Garberville Sanitary District** at the office of the **Garberville Sanitary District located at 919 Redwood Drive, Garberville, Ca. 95542**, until **2:00PM** local time on **Thursday, March 12, 2015**.
  - B. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1 (a)]
  - C. The requirement for 6 MIL polyethylene and 30 MIL liner listed on Detail 8, SHEET C5.3 in the Construction Plans has been eliminated.
  - D. The requirement for the contractor to submit a seismic anchoring plan for the temporary tank as stated on SHEET C1.3 and Addendum 1, has been eliminated. A seismic anchoring system is no longer required for the temporary tank.
  - E. The contractor shall connect a sensor line for the altitude valve to the 200,000 gallon water storage tank. The sensor line shall be 3/4" diameter galvanized pipe, plumbed to a penetration in the tank 1 foot above the bottom of the tank. Where above ground, the piping shall be wrapped in weather-resistant insulation such as Self-Seal Armaflex Foam Insulation, or approved equal. Payment for this item, shall be included in 33 11 16 Site Water Distribution Piping.

F. The following questions were received via email since the pre-bid meeting.

1. **Q: Are the 8-inch gate valves on the inlet and outlet of the tank included in the seismic connections and fittings payment item?** No, gate valves will be paid for on a "per each" basis in accordance with Section 33 11 16 Site Water Utility Distribution Piping Section 1.2.B.

All other Terms and Conditions outlined in the Specifications, Special Provisions, Notice to Contractors, Proposal and Contract remain the same.

Acknowledgement: Bidders for the Alderpoint Road Tank Replacement Project are required to submit a copy of this Addendum duly signed and dated, acknowledging receipt with EXHIBIT B: BID FORM, and table in the form in Article 3 of the Bid Form.
