INTRODUCTION

Welcome to the Garberville Sanitary District. The District was organized April 12, 1932, as a Special District to provide services to our community. The District is an independent special district governed by a five member Board of Directors elected by Garberville's voters.

The Garberville Sanitary District is committed to a standard of excellence in the services that it provides to its customers. GSD employees participate in efforts to meet this commitment to achieve a high level of service to the community.

Each employee is expected to uphold the GSD commitment to "professionalism" which is understood to be an integral part of each employee's position responsibilities.

"Professionalism" includes, but is not limited to, sharing expertise and assistance with other staff, working as a team player, maintaining a positive attitude, pitching in at time of crises, and providing customers, community, GSD Board Members and other GSD staff with the highest quality service and respect.

This Employee Policy is intended to help you get acquainted with the Garberville Sanitary District (GSD). It explains some of our philosophies and beliefs, and describes, in general terms, some of our employment guidelines. We hope that it will serve as a useful reference document throughout your employment at GSD. This policy supersedes and replaces all previous personnel policies and guidelines. To determine if this version of the policy is current, you are requested to contact the GSD office.

GARBERVILLE SANITARY DISTRICT

PERSONNEL POLICY

1.0 EMPLOYMENT AT WILL

Garberville Sanitary District is an “at-will” employer. GSD and GSD employees have the right to terminate the employment relationship at any time, with a minimum of two weeks written advance notice of the termination date, with or without cause. There are no express or limited covenants and no statements in this manual that shall in any way conflict with this mutual right and obligation. This type of employment is intended to be employment “at will” under California law. No one other than the Board of Directors has the authority to alter this arrangement, to enter into an agreement for employment for a specific period of time, or to make any agreement contrary to this “at will” policy. Any agreement that in any way alters the “at will” status of an employee must be authorized by a specific Resolution of the Board of Directors.

2.0 ORGANIZATION

2.1 Chain of Command

The chain of command is shown in the diagram in Appendix “A.” The General Manager or designee will be the Chief Executive Officer responsible for all day-to-day operations. If the General Manager or designee is not available then the Board Chair will be consulted and if the Board chair is not available, next in line is the Vice Chair, and then decision making authority extends to any Board Member that is available.

2.2 Absence of General Manager or Designee:

When the General Manager or designee is absent, or otherwise not available, his/her staff will report to the Board Chair, as per chain of command in all matters requiring a managerial decision, or as specified by their manager before his/her absence.

3.0 EMPLOYMENT PROCESS

3.1 Equal Opportunity

The Garberville Sanitary District will recruit, hire, train, promote and administer human resource activities without regard to age, sex, race, creed, color or national origin, or any other legally protected status, and shall comply with the intent and the letter of all applicable laws which prohibit discrimination and affirm equal opportunity.

3.2 Qualifications

- a. All employees must be at least 18 years of age.
- b. Other qualifications are listed in the job descriptions attached in Appendix “B.”

3.3 Employment Process

All individuals seeking employment with GSD must complete a written application. The General

Manager or designee will conduct an interview of candidates qualified for the position and may give applicant skills tests, which may include but are not limited to: communications, basic math, computer, and job-related licenses, and other qualifications.

The applications of acceptable candidates may be presented to the Board, who may also choose to interview these candidates. The General Manager or designee will make the final hiring

decision. Hiring is contingent upon the new employee's passing a physical exam and appropriate or necessary drug, background, or other screening deemed necessary by GSD.

3.4 Evaluation Period and Notice of Termination

Following successful completion of a 3-month evaluation period, the employee will be considered a permanent employee. Because GSD is an "at will" employer, notwithstanding that an employee becomes "permanent" in the sense that they have successfully completed their introductory 3-month evaluation period, both GSD and GSD employees have the right to terminate the employment relationship at any time, with a minimum of two weeks written advance notice of the termination date, with or without cause. Notwithstanding this absolute right on the part of GSD or the employee to terminate with or without cause and with or without notice, and without any intention to limit or restrict such rights, both GSD and the employee are encouraged by this policy to provide as much advance notice of termination as reasonable under the circumstances.

5.4.5 Social Security

Social Security is more than a paycheck deduction. It offers financial security for the employee and their dependents. Although this is a federally established program, it is the employee's contributions, and the District's, that pay for this benefit. Both the employee and the District contribute to provide the employee with monthly checks and medical coverage once the employee reach retirement age. These funds are then forwarded to the federal government to support the Social Security Program.

No copies of documents in their file may be made, with the exception of documents that they have previously signed. The employee may add their comments to any disputed item in the file. GSD will restrict disclosure of their personnel file to authorized individuals with GSD. Any request for information contained in personnel files must be directed to the District Administrator. Only the General Manager is authorized to release information about current or former employees. Disclosure of personnel information to outside sourced will be limited. However, GSD will cooperate with requests from authorized law enforcement, or local, state, or federal agencies conducting official investigations and as otherwise legally required.

GSD is required by law to keep current all employees' name and addresses. Employees are responsible for notifying the District in the event of a name or address change.

6.1.2 Employee References

All requests for references must be directed to the General Manager. No other person is authorized to release references for current or former employees. By policy, the District discloses the dates of employment, the title of the last position held, general description of last job duties, reason for termination, and any incidents of violence of former employees. If the employee authorizes the disclosure in writing, the District also will inform prospective employers of the amount of salary or wage they last earned.

7.0 POLICIES REGARDING EMPLOYEE CONDUCT

7.1 Safety Policy

The District recognizes its responsibility for providing the safest possible conditions for its employees and customers. This responsibility is met by means of a safety program that is applied through the development of safety awareness among employees, the use of up to date safety equipment, and the continual inspection of conditions and practices by all levels of supervision. It is the responsibility of every employee to develop safe working habits. The development of proper attitudes toward safety is the only method to improve safe working habits. Therefore, training sessions play a large part in the safety program. The District wants to protect all employees and the public from injury and accidents. To accomplish this goal, the safety program involves all employees, and requires the active participation and cooperation of all to make it operate effectively.

Safety training sessions are conducted for all District employees, and employees are expected to perform in a safe manner. Employees who are unsure, uncomfortable or hesitant should immediately notify the General Manager before engaging in the potentially hazardous work. Employees are NOT required to perform any task they consider to be dangerous or hazardous.

All incidents MUST be documented regardless of what the hazard or incident.

7.3 Alcohol and Drug Use Policy

In accordance with our general personnel policies, whose overriding concern is a regard for the employee as an individual as well as a worker, GSD has adopted the following policy:

- a. We believe alcoholism and drug dependencies are illnesses and should be treated as such.
- b. We believe the majority of employees who develop these dependencies can be helped to recover, and the District shall offer or facilitate appropriate assistance for the employee.
- c. We believe the decision to seek diagnosis and accept treatment for any suspected illness is the responsibility of the employee. However, continued refusal of an employee to seek treatment when it appears that substandard performance may be caused by any illness is not tolerated.
- d. We believe it is in the best interest of employees and the District that when alcoholism or drug dependency is present, it should be diagnosed and treated at the earliest possible stage. The District requires all new employees to pass a drug screening, and may, at its discretion, require further drug screening.
- e. Confidential handling of the diagnosis and treatment of alcoholism or drug dependency will be the responsibility of the appropriate manager and the General Manager.
- f. The objective of this policy is to retain employees who may develop alcohol or drug dependency by helping them to arrest its further advance before the condition renders them unemployable.
- g. All employees should be aware that the use of alcohol or any drugs interfering with safe and efficient functioning on the job is a matter of District concern and will be dealt with in an appropriate manner.

- h. Employees are prohibited from drinking alcoholic beverages on company time or on company premises, reporting to work or driving a District vehicle while under the influence of alcohol or drugs. Employees are prohibited from working, driving a District vehicle or appearing on Garberville Sanitary District premises under the influence of or in the possession of alcohol, illegal drugs, controlled substances, prescription drugs, or over-the-counter remedies that may impair the employee's ability to function, or that may endanger the safety of others.
- i. Substantial evidence of illegal actions on the job, including the use of illegal drugs, when such actions can be traced to specific employees, will be reported to the appropriate authority and will result in disciplinary action by the District.
- j. Employees convicted of illegal drug traffic charges will be immediately terminated. Employees found to be involved in such traffic on company premises or during working hours will be terminated and reported to the appropriate authorities.
- k. All employees must pass a drug and alcohol screen prior to beginning their duties. (See section 3.3.) The District reserves the right to screen employees for drug use as permitted by law including random drug screening of all employees, including managers, as well as drug and alcohol testing of individuals for cause.

To the extent permitted by law, due process, and fairness, written or oral complaints shall remain confidential. In the event a written complaint can not be prepared, it shall be made orally and then reduced to writing and signed by the complainant. A complaint should be specific and for each occurrence should include the date(s), time(s), location(s), names of the individuals involved and the names of any witnesses. An immediate, thorough and objective investigation of the harassment allegations shall be initiated by the appropriate manager or by the Chairperson of the Board of Directors.
- f. If GSD determines that unlawful harassment has occurred; effective remedial action

will be taken in accordance with the circumstances involved. Any employee determined by GSD to be responsible for unlawful harassment will be subject to appropriate disciplinary action, up to and including termination. A GSD representative will advise all parties concerned of the results of the investigation. GSD will not retaliate against anyone for filing a complaint and will not knowingly tolerate or permit retaliation by management, employees or co-workers. This procedure is in addition to the Grievance Procedure for employees set out in Section 9.0 of the Personnel Policy. It is intended to provide direct access to members of the Board as an alternative and additional procedure for resolving any disputes within the District.

The party initiating the mediation shall notify the Chairperson of the Board of Directors. All communications arising out of or related to the mediation shall be confidential in compliance with California Evidence Code Section 1115 to 1128. The mediation shall cover any issue raised by either party. The Chair of the DRC will contact all parties to the dispute, arrange for meetings and use appropriate mediation and facilitation skills to resolve the dispute.

All discussions will be kept confidential and will result in no recommendation for actions by either member of the DRC. In the event that the dispute is not resolved, the Chairperson shall declare an impasse. If the impasse causes harm either to the District or any party to the dispute, the case shall be referred to private and binding under Title 9, Arbitration, and California Code of Civil Procedure Sections 1280, et seq. The designated arbitrator is authorized to award attorney fees and or costs to either or neither party. Arbitration shall be the exclusive method for resolving any issue or dispute. The claims that are to be arbitrated under this agreement include but are not limited to any and all claims related to employee's employment, or termination.

Except as otherwise provided by law, this Dispute Resolution Procedure through arbitration precludes either the employer or employee or any party to the arbitration from bringing a civil action for issues or disputes relating to, among other things, termination of employment, alleged discriminatory conduct, or alleged sexual or other harassment, and thereby precludes the employer or employee from having such disputes or allegations tried before a judge or a jury.

Arbitration and/or mediation proceedings will be held at a location mutually convenient to the employee, party, and the District. Within thirty (30) days following the hearing and the submission of the matter to the arbitrator, the arbitrator shall issue a written opinion and award, which shall be signed and dated. The arbitrator's award shall decide all issues submitted by the parties and the arbitrator may not decide any issue not submitted. The arbitrator shall be permitted to award only those remedies in law or equity, which is requested by the parties. The cost of the arbitrator and other incidental costs of arbitration may be equally shared between the employee and the District subject to the Arbitrator's power to award of attorney fees and costs.
